*** C-5 Refresher class – Letters will be going out to all members who need a C-5 Refresher assigning them to a class. Because the certs are taking so long to come in, the first refresher will be in December. If the date we assign you, is not good you need to call our office immediately so we can help you find someone to switch dates with you. All classes are full so we cannot just move you to a new date.

All Asbestos Classes are also booked and members have been assigned to them according to the date of your initial. Those letters will also be going in the mail early.
