The Employer may designate a 4 day 10 hour per day schedule at the straight time rate, however, on a 4 day 10 hour schedule, Friday shall be a make-up day. The 4 day 10 hour schedule is only permissible when permitted by law. In an effort to maintain productivity, safety, and hygiene on full containment jobs or jobs where employees would need to change clothes or travel an extensive distance to safely take a coffee break, then there shall be no coffee breaks. When the above situation exists then 15 minutes shall be added to the lunch period. While the regular 1/2 hour lunch period is unpaid this 15 minutes shall be paid time. The above system in lieu of coffee break may only be implemented by mutual consent of the Employer and the Union on a job-by-job basis.

SECTION 7. When the Employer hires a worker to perform work covered by this Agreement, and orders him/her to report at a certain time and place, and then fails to put him/her to work, such Employee, having reported promptly, shall receive two (2) hours pay and no excuse on the part of the Employer will be accepted for not putting him/her to work except weather conditions over which the Employer has no control. (Show-up time)
